ESTABLISHED 1975

Offering waste and recycling services and so much more!

For over 45 years, Casella has served local communities. Each year, we recover over **a million tons** of recyclable material from the waste stream, and over the next decade it is our goal to double that amount.

Throughout our operations in New York we have over **245,000** customers and nearly **1,000** employees who serve their needs providing economically and environmentally sustainable services. Through those efforts we are proud to help keep New York state safe, clean, and thriving.

Visit **casella.com/sustainability** to learn more about our 2030 goals and how we're driving sustainable growth.
